## What Will Be Your Legacy of Peace?

For our 20th anniversary, Tomorrow's Women (TW) has launched a planned giving program in honor of our founders, dedicated staff, volunteers, and thousands of supporters who have made TW what it is today. We also want to recognize the hundreds of brave Israeli

and Palestinian young women who are committed to an inclusive and just peace in the region. Your legacy gift, large or small, will ensure the sustainability of TW and its peacemaking mission for the next twenty years and beyond.

### Join TW's Salaam~Shalom Legacy Society

Members will be included in Society materials, invited to special events, and recognized publicly, unless otherwise indicated.

## Make Camp Possible for the Next Generations!

“My father taught me the importance of being a “multiplier,” and of making difference beyond myself. When our values align with others, and we support organizations we believe in personally, our impact becomes exponential and beyond measure.”

– Rob Elliott Salaam ~ Shalom Society Member

In 2020, Tomorrow’s Women received a transformative gift from the estate of a beloved, long-time board member Connie Kaiserman Robinson, a staunch visionary for peace. This generous donation has allowed us to establish an endowment fund to secure the future of TW’s flagship Young Leader (camp) program. Building on Connie’s generosity, we invite you to join other loyal donors in making a personally meaningful contribution to the fund, ensuring that peacemaking continues to be an opportunity for all.

- The fund is overseen by TW’s Board of Directors, including a committee of investment experts, with an eye toward steady growth so that the gifts received can accomplish the goals you intend.
- Earnings are spent on programs (and operations), which are sustained in perpetuity with the growth of the fund. Annual distribution income has been set at 4.5 %.
- Please inquire about TW’s investment and spending policy. We will be happy to share it with you.
